A. Conditions of agreement

1. Introduction

1) This set of terms and conditions govern the use of the Unibet Sports Book. When placing a bet with Unibet, the Account Holder is therefore agreeing that the Account Holder has read, understood and will be adhering to these Terms and Conditions including the general Terms and Conditions at any time applicable to Unibet (https://nl.unibet.com/terms).

2) The use of this Sports Book is subject to the regulations imposed by the Malta Lotteries and Gaming Authority (the LGA).

3) Any dispute relating in any way to the use of this Sports Book should be emailed to info-nl@unibetsupport.com. Should the reply not be considered satisfactory, a request for confidential arbitration can be sent to the LGA (complaints@lga.org.mt). Their decision shall be binding and may be entered as a judgment in any court of competent jurisdiction.

4) Unibet reserves the right to make changes to the site, betting limits, payout limits and offerings.

5) Unibet may update, amend, edit and supplement these Terms and Conditions at any time.

6) Any reference in these Terms and Conditions to words/objects that appear in singular also applies to plural. References to gender are non-binding and to be treated for information purposes only.

2. Definitions

1) "Error" is a mistake, misprint, misinterpretation, mishearing, misreading, mistranslation, spelling mistake, technical hazard, registration error, transaction error, manifest error, force majeure and/or similar. Examples of errors include, but are not limited to:
   a. bets accepted during technical problems that would otherwise not have been accepted;
   b. bets placed on events/offers that have already been decided;
   c. bets on markets containing incorrect participants;
   d. bets placed at odds that are materially different from those available in the general market at the time the bet was placed;
   e. bets offered at odds which reflect an incorrect score situation; or else,
   f. odds being clearly incorrect given the chance of the event occurring at the time the bet was placed.

2) "Influence Betting" is an act, prohibited by Unibet, where an Account Holder, or parties acting in association with an Account Holder, can influence the outcome of a match or an event - directly or indirectly.
3) "Syndicate Betting" is an act, prohibited by Unibet, where Account Holders act together to place a series of bets on the same event or competition. Where there is evidence of Account Holders acting together in this manner Unibet reserves the right to make the relevant bets void and/or withhold payment of returns pending the outcome of subsequent investigations.

3. Bet Acceptance

1) A bet is not valid until it is validated and shows in the Account Holder’s bet history. In cases of uncertainty about the validity of a bet, the Account Holder is requested to check the open (pending) bets, or contact Customer Service.

2) Unless accepted in Error, once accepted, a bet will remain valid and cannot be withdrawn. It is the responsibility of the Account Holder to ensure details of the bets placed are correct. Under no circumstance Unibet will accept any responsibility for any mistakes (perceived and actual), deriving from either Errors as listed under <Section A, Para 2, Clause 1>, or any other reason, such as but not limited to, incorrect listing of the odds/betting objects.

3) Should a dispute arise about the acceptance (or lack thereof) of any transaction in the Account Holder’s account, the transaction log database will be the ultimate authority in deciding such matters.

4. Betting and Payout Limitations

1) Unibet reserves the right to limit the net payout (the payout after the stake has been deducted) on any bet or combination of bets by one Account Holder at £250,000. This limit may be lower depending on the specific sport, league and type of bet offer. For further information it is recommended to consult the Sport Specific Limits in <Section C, Para 32>.

2) All bet selections are subject to pre-imposed limits set solely at Unibet’s discretion which may be lower than the limits mentioned in <Section A, Para 4.1> and <Section C, Para 32>. Should this limit be reached, the Account Holder has the right to ask for it to be exceeded by means of a request effected through Unibet’s platform(s). Unibet reserves the right to accept (fully or partially) or reject the said request without any prior notice and further explanation.

3) Unibet reserves the right to decline, solely at its own discretion, all, or part of, any bet requested. This includes the possibility that a “System bet” as defined in <Section B, Para 4> is not accepted in full, either in terms of stakes or combinations included in said “System bet”.

4) Unibet reserves the right to restrict or deny access, totally or partly, to the user account, at its own discretion.

5) All bets placed through any Unibet platform, also including bets requesting manual approval, may be subject to a time delay prior to acceptance, the length of which may vary. Such delay is to be determined by Unibet at its sole discretion.
6) Unibet reserves the right to withhold payment and/or to declare bets void on an event (or series of events), if there is sufficient evidence that any of the following has occurred:
   (i) the integrity of the event has been called into question;
   (ii) the price(s) or pool has been manipulated;
   (iii) Match-rigging has taken place, or the match is under investigation for such.

   Evidence of the above may be based on the size, volume or pattern of bets placed with Unibet across any or all of its betting channels, as well as information received from other betting providers or officially recognized organizations.

7) All odds offered are subject to variation. Such fluctuation is determined solely at Unibet’s discretion. Bets are accepted only at the odds available in the betting grid at the time the bet was accepted by Unibet, irrespective of any other claim or previous publication present on the website or any other media detailing otherwise.

5. Cancellation (Voiding) of Bets

1) A bet can be declared void, and will be, in that event, settled with the odds of 1.00.

2) A bet made as an accumulative bet shall remain valid notwithstanding a match or an event which is part of the accumulative bet being void.

3) Unibet reserves the right, at its own discretion, to declare a bet void, totally or partly, if it is obvious that any of the following circumstances have occurred:
   a. Bets have been offered, placed and/or accepted due to an Error;
   b. Bets placed while the website was encountering technical problems, that would otherwise not have been accepted;
   c. Influence Betting;
   d. Syndicate Betting;
   e. A result has been affected by criminal actions - directly or indirectly;
   f. A public announcement has occurred in relation to the bet which alters significantly the odds.

4) A bet made as an accumulative bet shall never include two or more offers the outcomes of which might turn out to be related (e.g. Team X to become champions and Player Y to be Top Goal Scorer in the same league). Although Unibet takes all necessary steps to prevent such possibilities, in the eventuality that this would happen, Unibet reserves the right, solely at its own discretion, to declare void all parts of the accumulative bet which include the correlated outcomes.

5) Bets can be voided regardless of whether the event has been settled or not.

6) Furthermore, all bets placed (and/or accepted) in the following circumstances will be declared void:
   a. Pre-match betting
      (i) Betting effected after the event has started;
      (ii) Betting effected after a related event was underway and where conditions could have been altered in a direct and indisputable way.
b. **Livebetting**

(i) Betting effected at incorrect price due to delayed or failing ‘Live’ coverage;
(ii) Betting effected on particular offers after these have occurred, or else after an event which could normally be deemed as leading to the outcome has happened or is happening (e.g. bets placed on offers such as Total Goals Scored or Next Goal while a penalty is being taken, or has been awarded);
(iii) Betting effected on odds which represented a different score than the actual;

6. **Disclaimer and Priority**

1) Unibet reserves the right, at its own discretion, to adjust a Payout credited to an Account Holder’s balance if it is obvious that the Payout has been credited to the Account due to an Error.

2) In order to adjust any inaccuracy in the Account Holder’s balance following amounts credited due to an Error, Unibet reserves the right to take any necessary action, without prior notice and within reasonable limits, to adjust the Account Holder’s balance through the reversal, amendment or cancellation, of any subsequent transaction on the Account Holder’s account.

3) Any complaints/disagreements towards settlement of any bet offer, should reach Unibet within 14 days of the initial settlement to require a full investigation. All other complaints will only be considered if indisputable evidence of an inaccurate settlement is presented by the account holder. Such evidence will only be taken into consideration unless it is in any way attributable to situations as described in <Section B, Para 5.2>.

4) Unibet reserves the right to suspend access to the account until it completes any investigations it deems necessary.

5) These rules are applicable to all transactions with Unibet Sports Book, and may be supplemented with other Rules. In the event of ambiguity, priority should be considered in the following order:
   a. Rules and conditions published in conjunction with an offer and/or campaign;
   b. Should these be inconclusive, reference will be made to the General Sports Book Rules, unless Sport-Specific Rules declare otherwise.

6) In cases where it deems that these Rules are inconclusive, Unibet reserves the right, according to its own discretion, to settle offers on an individual basis on the basis of equity, attaining itself to generally accepted betting norms, customs and definitions.

7) Adaptations into other languages of these Terms & Conditions, or any other text which can be associated with bet offers, are done for purely informative purposes. Although all necessary precautions have been taken to assure the most faithful rendition of these terms in the specific language, Unibet will not accept any liability for any incompatibility between the English version and any other language. Thus, in case of discrepancy between the English edition and the respective translation, the former will be deemed as binding and will be the basis upon which the offers will be settled.
B. General Betting Rules

1. Common Terms of Reference

1) Unless listed either in conjunction with the bet offer, or else in the Sport Specific rules, all bets should be considered valid for the result at the end of the "Regular Time" or "Full Time" only. "Regular Time" or "Full time" is defined as interpreted by the official rules published by the respective governing association. For example, in football, full time is stipulated to be 90 minutes including injury time, and in ice hockey it is stipulated as the 3 x 20 minute periods. Should the governing association decide to stipulate, before the start of the event, that the said event is to be played over a different duration, this will be treated as being the official rules for the event (for example, Under 17 football played with 2 x 40 minutes). Nonetheless, such occurrence is limited to the "regular" playing time and does not include any prolongation such as extra time or overtime, unless explicitly stated.

2) "Livebetting" is where it is possible to bet during an ongoing match or event. Unibet does not acknowledge or accept any liability whatsoever if it not possible to place a bet or the live score update is not correct. At all times it is the Account Holder’s responsibility to be aware of the match and the events surrounding it such as the current score, its progression and how much time remains before the match is completed. Unibet does not accept any liability for changes to the Livebetting schedule or interruption of the Livebetting service.

3) The “Ca$h In” function is part of Livebetting, which allows the possibility to close an open position, depending on the value of the current bet. Example: An Account Holder has backed Team X to win. At any time during the match the Account Holder can close this position and his account will be credited by the amount equal to the value of his bet. Unibet reserves the right to offer such functionality solely at its own discretion and does not acknowledge or accept any liability whatsoever if the Ca$h In function is not available during an event.

4) The "Participant“ is an object constituting part of an event. In "Head-to-Head“ and "Triple-Head" the Participant only refers to objects that are subject to the "Head-to-Head“ or "Triple-Head“ event in question.

5) The deadline (cut-off time) shown on the website is to be treated for information purposes only. Unibet reserves the right, at its own discretion, to suspend, partially or completely, the betting activity at any time where it deems necessary.

6) Statistics or editorial text published at the Unibet site are to be considered as added information but Unibet does not acknowledge or accept any liability whatsoever if the information is not correct. At all times it is the Account Holder’s responsibility to be aware about circumstances relating to an event.

7) Theoretical return in fixed odds betting to the player is given by the odds from all possible outcomes in the offer. The theoretical payback to a player on a bet offer with 3 outcomes a, b and c can be calculated as follows.

\[
\text{Theoretical} = \frac{1}{100 \times \text{"odds outcome a"}} + \frac{100}{\text{"odds outcome b"}} + \frac{100}{\text{"odds outcome c"}}
\]
2. Bet Types

1) "Match" (aka 1X2) is where it is possible to bet on the (partial or definite) outcome of a match or event. The options are: "1" = Home team, or team listed to the left side of the offer; "X" = Draw, or the selection in the middle; "2" = Away team, or team listed to the right side of the offer.

2) "Correct Score" (aka Result Betting) is where it is possible to bet on the (partial or definite) exact score of a match or event.

3) "Over/Under" (aka Totals) is where it is possible to bet on the (partial or definite) amount of a predefined occurrence (e.g. goals, points, corners, rebounds, penalty minutes, etc.). Should the total amount of the listed occurrences be exactly equal to the betting line, then all bets on this offer will be declared void. Example: an offer where the betting line is 128.0 points and the match ends with the result 64-64 will be declared void.

4) "Odd/Even" is where it is possible to bet on the (partial or definite) amount of a predefined occurrence (e.g. goals, points, corners, rebounds, penalty minutes, etc.). "Odd" is 1, 3, 5 etc.; "Even" is 0, 2, 4 etc.

5) A "Head-to-Head" and/or "Triple-Head" is a competition between two or three participants/outcomes, originating from either an officially organised event, or else, as virtually defined by Unibet.

6) "Half time/Full time" is where it is possible to bet on the result in half time and the final outcome of the match. E.g. if at Half time the score is 1-0 and the match ends 1-1, the winning outcome is 1/X. The bet is void if the regular time of the match is played in a different time format than those listed in the bet (i.e. other than two halves).

7) "Period betting" is where it is possible to bet on the outcome of each separate period within a match/event. E.g. If the period scores in an ice hockey match are 2-0 / 0-1 / 1-1, the winning outcome is 1/2/X. The bet is void if the regular time of the match is played in a different time format than those listed in the bet (i.e. other than three periods).

8) "Draw No Bet" is where it is possible to bet on either "1" or "2" as defined in <Section B, Para 2.1>. It is also common practice to refer to "Draw No Bet" in cases where no draw odds are offered. Should the specific match contain no winner (E.g. match ends as a draw), or the particular occurrence not happen (E.g. First Goal, Draw No Bet and match ends 0-0) the stakes will be refunded.

9) "Handicap" (including Asian and 3-way) is where it is possible to bet on the (partial or definite) outcome of a match or event where one team has been given a points start. Bets are settled on the outcome after adjusting for the handicaps. In those circumstances where the result after the adjustment of the handicap line is exactly equal to the betting line, then all bets on this offer will be declared void. Example: a bet on -3.0 goals will be declared void if the team chosen wins the match by exactly 3 goals difference (3-0, 4-1, 5-2, etc).

10) "Double Chance" is where it is possible to bet simultaneously on two (partial or definite) outcomes of a match or event. The options are: 1X, 12 and X2 with "1", "X" and "2" as defined in <Section B, Para 2.1>.
11) "Outright" or "Place" betting is where it is possible to choose from a list of alternatives and bet on the eventuality that a participant wins or places within a specified position in the classification of the listed event/competition. Should two or more participants share finishing positions, the settlement will be based as per the definition in <Section B, Para 5.14>.

12) An “Each Way” bet (aka EW) refers to a bet where the chosen selection must either Win or else Place within the payout terms. The bet is divided in two parts (the "Win" part and the "Place" part) of an equal stake. Settlement of such bets will take into account the applicable rules governing the "Win" and "Place" bets, namely the Sport-specific rules as well as <Section B, Para 5, Clause 11>.

13) "Goal minutes" is where it is possible to bet on the sum of the minutes when the goals have been scored. When settling such bets, goals scored in injury time of both halves are to be considered as having been scored in the 45th minute in case the goal was scored in the first half injury time and the 90th minute in case the goal was scored in the second half injury time. Own goals will not count towards the settlement of individual player’s ‘goal minutes’.

3. Betting Props

1) Fantasy/Virtual "Matches" or "Head to Heads" are implicit match-ups where the performances of two or more participants/teams which are not directly confronting each other in the same match/event/round are compared. Settlement will be based on the number of times each participant records a predefined occurrence (e.g. goals) in the respective match. The following criteria will be used to determine the settlement of these type of offerings:

a. Unless specifically stated the bets refer to the next official match/event/round (as applicable) that the listed participants/teams are scheduled to take part in.
b. All relative matches/events must be completed on the same day/session which the match/event/round is scheduled to be completed for bets to stand, except for those offers the outcomes of which has been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
c. Results for these offers will only take into account occurrences deriving from the actual play. Results attributable to walk-overs as well as other decisions as specified in clauses 2, 3 and 4 of <Section B, Para 5> will not be taken into consideration.
d. Should the aforementioned criteria be inconclusive in determining the outcome for these offers, the following criteria will be progressively referenced to in order to settle the offering:
   (i) the applicable Sport-specific rules as listed in <Section C>,
   (ii) Result Settlement rules as listed in <Section B, Para 5>.

Bets will be settled as void should it still be impossible to determine a winning outcome.

2) "Grand Salami" is where it is possible to bet on the total number of listed occurrences (Example: Total Goals, Total Runs) happening in a collection of matches/events on a specified round/day/match day. All relative matches/events must be completed for bets to stand except for those the outcomes of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
3) Over/Under bets on classification of participants in performances/events must be interpreted as follows: "Over" means a worse or lower position while "Under" means a better or higher position. Example: A bet on a player’s classification in a tournament with an Over/Under line 2.5 will be settled as Under if the player classifies first or second. All other placements will be settled as Over.

4) Bets on "Quarter / Half / Period X" refer to the result/score achieved in the relevant timeframe and does not include any other points/goals/events tallied from other parts of the event/match. Bets will be voided if the match is played in any other format but the one stipulated in the offer.

5) Bets on "Result at end of Quarter / Half / Period X" refer to the result of the match/event after termination of the stipulated timeframe and will take into account all other points/goals/events tallied from previous parts of the event/match.

6) Bets on "Race to X Points / Race to X Goals..." and similar offers refer to the team/participant reaching the earliest the particular tally of points/goals/events. If the offer lists a timeframe (or any other period restriction) it will not include any other points/goals/events tallied from other parts of the event/match which are not related to the mentioned timeframe. Should the listed score not be reached within the stipulated timeframe (if any), all bets will be declared void, unless otherwise stated.

7) Bets on "Winner of Point X / Scorer of Goal X" and similar offers refer to the team/participant scoring/winning the listed occurrence. For the settlement of these offers, no reference to events happening prior to the listed occurrence will be taken into consideration. Should the listed event not be scored/won within the stipulated timeframe (if any), all bets will be declared void, unless otherwise stated.

8) Bets referring to the happening of a particular occurrence in a pre-defined time order, such as “First Card”, or “Next Team to receive penalty minutes” will be settled as void should it not be possible, without any reasonable doubt, to decide the winning outcome, for example in case of players from different teams which are shown a card in the same interruption of play.

9) "Team to score first and win" refer to the listed team scoring the first goal in the match and going on to win the match. Should there be no goals in the match all bets will be settled as void.

10) Any reference to "clean sheet" indicates that the listed team must not concede any goal during the match.

11) "Team to win from behind" refers to the listed team winning the match after having been at least 1 goal down at any point in the match.

12) Any reference for a team to win all halves/periods (e.g. Team to win both halves) means that the listed team must score more goals than its opponent during all the stipulated halves/periods of the match.

13) Any reference to "Injury Time" refers to the amount displayed by the designated official and not to the actual amount played.

14) Settlement of bets on offers such as "Man of the Match", "Most Valuable Player" etc. will be based on the competition’s organisers’ decision, unless otherwise stated.
15) Settlement of bets which make reference to terms such as "decisive goal" will be settled based on the scorer of the goal that at the end of the match/tie (as applicable) proves to be the one that has produced an unassailable lead, following which any further goals would prove to be irrelevant towards the final outcome. For a bet to be settled as "YES" the listed player’s team must be declared winner of that particular match (in case of one match) or progressing to the next round/winning the competition. Goals scored in Regular Time and Extra Time count but not Penalty Shoot outs.

16) Bets on events which feature a selection of episodes that could happen in a match (E.g. "What will happen first to the player? with options "Score a goal, Get a Yellow/Red Card, Be Substituted) will be settled as void should none of the listed events/outcomes occur.

17) Settlement of Transfer bets will also take into account players signed by the club on loan deals.

18) Bets referring to Managerial changes refer to the individual in the Head Coach/Manager role (as applicable) who steps down/is removed from the position for any reason. Bets are valid even in cases where a joint responsible (if any) leaves their position and will be settled accordingly. In case that no more changes are happening between the time the bet is placed and the last league fixture (excluding play-offs, play-outs, post season, etc.) the bets placed after the last Managerial change (if any) will be void, unless a suitable option has been offered for betting.

19) Offers referring to which team/participant will achieve a particular accomplishment against another team/participant (E.g. Next team to beat Team X) as well as offers which refer to the classification on a certain date, will stand and be settled regardless of any eventual fixture changes and number of games/rounds played.

20) Settlement of offers referring to which team/participant will be the first to achieve a particular accomplishment against other team(s)/participant(s) (E.g. Team to score first in Match day X) will be based upon the timeframe in the respective match in which the feat has been accomplished. Example: Team A plays on Saturday and score their first goal in the 43rd minute while Team B plays on Sunday and score their first goal after 5 minutes, then Team B will be settled as winner.

21) From time to time Unibet might decide to publish offerings referring either to the single performance of a participant/team; or offering which combine the potential outcomes of 2 or more teams/participants (ex. Enhanced multiples), at higher odds than those normally available. Unibet reserves the right to withdraw such offers, edit the respective odds and effect any further changes Unibet might deem necessary at its sole discretion. Settlement of these offers will be based on the same criteria as applicable for Fantasy Matches as listed in the articles under <Section B, Para 3, Clause 1>.

4. System Bets

1) In Pre-match betting, it is possible to combine up to twelve (12) different offers on a single coupon. Based on these twelve offers, Account Holders s can choose their own number of singles, doubles, trebles etc.
2) In Livebetting it is possible to combine up to twelve (12) different offers on a single coupon as an accumulator bet. It is not possible to use the “Ca$h In” function with accumulator bets. All selected matches/offers in an accumulator must be included in the coupon and no other multiple options (Example: singles, doubles, etc.) which exclude 1 or more matches/offers are available.

3) Unibet reserves the right to limit the amount of combinations due to what is known as outcome dependency, as defined in <Section A, Para 5.4>. and also other factors, solely at its own discretion.

4) It is possible to include one or several matches as ‘bankers’ which means that the selected matches/events will be included in all coupons.

5) A ‘Trixie’ is a combination, which includes one treble and three doubles from a selection of three matches.

6) A ‘Patent’ is a combination, which includes one treble, three doubles and three singles from a selection of three matches.

7) A ‘Yankee’ is a combination, which includes one fourfold, four trebles and six doubles from a selection of four matches.

8) A ‘Canadian’ (also known as ‘Super Yankee’) is a combination, which includes one fivefold, five fourfolds, ten trebles and ten doubles from a selection of five matches.

9) A ‘Heinz’ is a combination, which includes one sixfold, six fivefolds, fifteen fourfolds, twenty trebles and fifteen doubles from a selection of six matches.

10) A ‘Super Heinz’ is a combination, which includes one sevenfold, seven sixfolds, twenty-one fivefolds, thirty-five fourfolds, thirty-five trebles and twenty-one doubles from a selection of seven matches.

11) A ‘Goliath’ is a combination, which includes one eightfold, eight sevenfolds, twenty-eight sixfolds, fifty-six fivefolds, seventy fourfolds, fifty-six trebles and twenty-eight doubles from a selection of eight matches.

12) For display purposes, when necessary, the second digit after the decimal point of the odds is shown as rounded up in the Account Holder’s bet history to the nearest decimal number. The payout will however be effected based on the actual odds multiplied by the stake, disregarding the aforementioned rounding.

5. Result Settlement

1) When settling results Unibet will do its utmost to attain itself to information obtained first hand (during or exactly after the event has been concluded), through TV transmissions, streaming (web-based and through other sources) as well as official sites. Should this information be omitted from first hand viewing and/or official sources and/or there is an obvious Error in the information included in the sources above, the settlement of the bet offer will be based on other public sources.
2) Settlement of bets will not include any changes deriving from and/or attributable to, but not limited to: disqualifications, penalisations, protests, sub judice results and/or successive changes to the official result after the event has been completed and a result has been announced, even preliminarily. For bets referring to competitions which span over more than 1 round/stage (E.g,: Season Bets), only amendments effecting bets which settlement has not been decided yet will be taken into consideration. Such measures must be announced by the governing association before the last scheduled round/stage will be considered. Any changes effected after this date, or else referring to bets which have already been settled based on events happening during the event/competition will not be considered.

3) Occurrences which have not been sanctioned and/or acknowledged by the match/event officials (e.g. disallowed goals) will not be taken into account towards the settlement of the bet. When settling, Unibet will always take into consideration the effective time/amount when the event has actually taken place, e.g. the corner being kicked, or the offside being declared.

4) All bet offers related to matches/events which do not take place at all or are awarded a result through a walk-over decision will be declared void.

5) In case of an abandoned event, all bet offers that have been decided prior to the abandonment and could not possibly be changed regardless of future events, will be settled according to the decided outcome. All remaining bet offers will only be settled if an official result is announced within 36 hours and will otherwise be considered void.

6) In case an event is abandoned and is scheduled to restart from the beginning within 36 hours of the original date, all bets placed before the initial match which could not be settled through the outcomes deriving from the play prior to abandonment, will be declared void.

7) Should the date for an event which has not started yet, be moved not more than 3 full days prior/following the original date and time previously issued by the governing association, all bets will stand, even if the new kick off time is more than 36 hours past/previous the original stipulated time. In case an event which has not started yet, is moved more than a full 3 days, or else, the event has started and an official result cannot be declared before 36 hours have passed, the bets will be declared void.

8) In cases of events which have not been completed before their natural conclusion, and a result is issued through a decision by the association not more than 36 hours from the event’s start, Unibet will use the issued decision as the official result for the following bet offers: Match, Draw No Bet and Double Chance. Notwithstanding that, the issued decision does not change the outcome of the said bet offers at the time of the abandonment. In that case the stakes will be refunded. All other offers will be declared void except for those the outcomes of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.

9) All bet offers related to uncompleted matches/events where the official governing body is not previously acknowledged (e.g. Club Friendlies) will be declared as void unless at least 90% of the stipulated Regular/Full time is played, see in <Section B, Para 1.1>. Should the match/event be abandoned after 90% has been completed, the settlement will be based on the current score at the time when the match/event was stopped.
10) Settlement of bet offers, such as, but not limited to, shots, shots on target, ball possession, assists, rebounds, etc. will be based according to the definition with which the official governing body issues said statistics. Unless backed by un-contradictory evidence, Unibet will not acknowledge any complaints which derive from a personal interpretation of such terms.

11) When placing "Outright" or "Place" bets, no stakes will be refunded on participants/outcomes that are not participating or withdrawing from an event (both prior and during), unless otherwise stated. Unibet reserves the right, at its own discretion, to apply Tattersalls Rule 4, as explained in <Section B, Para 6>, on any competition and this will be stated in correlation to the bet offer and/or the relevant Sport-specific rule.

12) No refunds of bets will apply, even if the winning outcome of a match/event is a participant/outcome that has not been listed for betting purposes. On all bet offers the account holder has the possibility to ask for a price on a non-listed participant/outcome. Unibet reserves the right, at its own discretion, to decline such requests.

13) In case a participant is disqualified/withheld/banned from taking part in a subsequent part/phase of an event/competition, the disqualification will be considered to have taken place at the time of the participant’s removal from the event. No alterations will be made to previous results, regardless of any modifications due to said actions.

14) If two or more Participants share certain finishing positions and no odds have been offered for a drawn outcome, the odds are divided by the number of participants sharing those certain positions and are settled accordingly. The payout will always be at least equal to the stake, except in cases of “Head to Heads”, see <Section B, Para 2.5> and <Section B, Para 5.19>.

15) In “Group Betting” (aka “Best of X”), all listed participants must start the event for bets to stand.

16) In “Group Betting” (aka “Best of X”), at least one participant from the selection list must successfully complete the event for bets to stand. Should that not be the case, and the governing association does not follow specific tie-breaking criteria, the bets will be declared void.

17) In a "Head to Head" between two or three participants, all listed participants must start the particular round/event which the bet refers to, for bets to be considered valid.

18) In a "Head to Head" between two participants, all bets will be refunded if both participants share the same position/score or are eliminated at the same stage of the competition, unless the governing association follows specific tie-breaking procedures, in which case, these will be deemed valid.

19) In a "Head to Head" between three participants and more than one winning outcome, the odds will be divided by the outcomes sharing the winning position, irrespective whether the net outcome is lower than the Account Holder’s stake.

20) If a "Head to Head" is offered between different rounds/stages, all participants must take part in the upcoming round/stage for bets to be valid.

21) Unless specifically stated, whenever the organising association deems it fit to include any necessary rounds, matches, or series of matches (e.g. Play-offs, Play-outs, Postseason) following the end of the so-called Regular Season in order to determine the classification, league winners,
promotion/relegation, etc., Unibet will take into account the results and outcomes deriving from these matches for settlement purposes of bets referring to the final league classification, promotion, relegation, etc. For example seasonal bets on the team winning the NHL will refer to the Stanley Cup Winners.

22) Offers which confront against each other the performances of two or more individuals/teams over a stipulated timeframe/competition will only be settled based on the result of the listed participants, disregarding all other participants in the same competition/event.

23) Unless specifically stated, all offers referring to a single player’s performance in a specific domestic league (such as Total Goals Scored by Player X in League Y) or “Head to Head” bet offers involving two players’ performances in domestic leagues, will not take into account those events happening during eventual Play-offs/Play-outs/Post-season or any other matches, or series of, which would happen after the so-called Regular Season.

24) Offers related to a total amount of occurrences/events scored/tallied by a particular team, either in a single team performance in a specific domestic league (such as Total Goals Scored by Team X), or “Head to Head” bet offers involving two teams’ performances in domestic leagues (E.g. Most Penalty Minutes in League X - Team Y vs Team Z), or a cumulative league performance (E.g. Team to receive Most Yellow Cards in League X) will not take into account those events happening during eventual Play-offs/Play-outs/Post-season or any other matches, or series of, which would happen after the so-called Regular Season, unless otherwise specified.

25) In a single player performance bet offer in a specific domestic league (such as Total Goals Scored by Player X in League Y) or “Head to Head” bet offers involving two players’ performances in domestic leagues, should any of the following occurrences happen to either of the participants in the selection list, the bets will be considered void: (i) does not take part in at least 50% of the stipulated matches (excluding eventual Play-offs/Play-outs/Post-season); (ii) does not take part in at least another match after the bet has been placed, (iii) totals the same amount as the other player.

26) In a single player performance bet offer in a specific event (such as Total Goals Scored by Player X in International Tournament) or “Head to Head” bet offers involving two players’ performances in specific events, should any of the following occurrences happen to either of the participants in the selection list, the bets will be considered void: (i) does not take part at all in the event (ii) does not take part in at least another match after the bet has been placed, (iii) totals the same amount as the other participant.

27) During specific events Unibet might decide to offer for betting a reduced selection of participants and might also include betting options such as “any other”, “the field”, or similar. This option includes all unlisted participants except for the ones mentioned specifically as available.

28) Offers that make specific reference to a participant’s/participants’ performance in a particular event (e.g. Player X vs The Field) are to be considered void if the mentioned participant(s) do(es) not take part in the competition.

29) Any form of a qualification ahead of the main event is considered to be a valid part of that competition. Thus any participant who is eliminated at qualification stage will be considered losing to anyone that is pre-qualified or is successful in the qualification part.
30) Bet offers which originally require participant(s) to compete in two or more stages/legs to advance into a subsequent phase/round of a competition, will remain valid regardless of any postponement/movement of the actual match dates, given that said match(es) actually takes place within the frame of the competition.

31) A bet on a “To Qualify” market originally requiring just one stage/leg to advance to a subsequent phase/round of a competition (including any eventual prolongations/additional matches, e.g. replays) will be declared void if said match is not decided within more than 36 hours of its supposed start time.

32) Irrespective of whether such information has been detailed in the bet offer or not, bets on matches being played on so-called "Neutral pitches" as well as in cases where the venue/surface type is changed, will not be treated as a cause for the offers to be voided, provided that the location in which the match takes place cannot be demonstrated as being the habitual "home" pitch of either team involved in the match, in which case all bets will be declared void. Such eventuality is not applicable to events in which, even if the location can be deemed as a potential customary "home" pitch for either of the teams involved, the governing association still decides to list the fixture in a way which might be interpreted differently, (e.g. specific events or the final/late stages of a competition being held in pre-established venues). In such cases the venue would be considered a "Neutral" pitch and bets stand regardless of the order in which the offer is displayed.

33) Information referring to gender of the teams, age groups and youth teams, as well as various definitions of reserve teams (e.g. B and C teams), is to be treated as supplementary information. The inclusion (or lack of) and correctness of such information will not be treated as sufficient cause for the voiding of the offers related to the match/event, given that this does not cause an obvious inconsistency in odds offered.

34) While all necessary precautions are taken by Unibet to assure the most faithful rendition of all components involved in a bet offer, it is to be assumed that certain denominations could be represented differently due to different interpretations deriving from adaptations into another language. Such linguistic incongruence will not be treated as sufficient cause for the voiding of the offers related to the match/event, given that it does not create uncertainty with other participants. The same applies for denominations referring to events, team names, sponsor names, etc.

35) In case of bets where there is reference to timeframes, they should be interpreted in the following way: “within the first 30 minutes” will include anything happening until 0 hours 29 minutes and 59 seconds; “between 10 to 20 minutes” will include anything happening from 10 minutes and 0 seconds until 19 minutes and 59 seconds.

36) Unless listed either in conjunction with the bet offer, or else in the Sport Specific rules, bets referring to event/match duration which include non-full integer digits (E.g. 88.5 minutes or X.5 rounds) require the full completion of the full integer of the listed duration for them to be considered won. For example: a bet on Over/Under 88.5 minutes in a Tennis match will be settled as Over only if at least 89 full minutes are completed.

37) Unibet acknowledges that some bets might require the rounding-up of percentages, units or other criteria which are decisive for the settlement of the bet. Should that be the case, Unibet reserves the right to adjust and settle accordingly.
38) Any reference to goals scored by specific players will not count if they are defined as ‘own goals’ (scored in their own goals) unless otherwise stated.

39) Any reference to confederation, nationality or similar will be subject to the definition by the governing association.

40) Any medals won by a team/nation per competition will count as one (1) single medal regardless of the number of team members.

41) Offers related to a total amount of occurrences/events scored/tallied by a particular player, in a single team performance in a specific competition (such as Total Goals Scored by Player X for Team Y) will only take into account total amount of occurrences/events scored/tallied by the particular player while playing for that team in that particular competition. Should any of the following occurrences happen to the listed player, the bets will be considered void: (i) does not take part in at least 50% of the competition’s stipulated matches (excluding eventual Play-offs/Play-outs/Post-season); (ii) does not take part in at least another match after the bet has been placed.

42) Offers on whether certain individuals will be occupying a specified position/title/job on a certain date (E.g. Minister X to still be Minister on date Y, Player/Coach to still be with Team Y on Date Z) refer to the individual in question to hold (or alternatively to be appointed in) the listed position uninterruptedly between the time the bet is placed and the specified deadline. Should the individual for any reason whatsoever leave the position before the specified deadline, the outcome of the bet will be considered as not having happened. This is valid even in cases where the individual is re-appointed/signed again in that same position/title/job and even if on the specified deadline the individual is occupying once more that same position/title/job to which the bet refers to. Settlements will also take into account players signed on loan deals.

6. Tattersalls Rule 4

C. Sports Betting Rules & Limits

1. Olympic and Championship events

1) All conditions stated in this section have priority to any other rule or condition.

2) All bets are valid provided that the event is held and decided during the championship and the year it refers to, regardless of any venue changes.

3) This clause is applicable to offers which reasonably fulfil any of the following criteria:
   a. the bet refers to events scheduled for the final phase of events forming part of Olympic, World and Continental competitions;
   b. the final phase of the event is time restricted.

2. American Football

1) Unless otherwise stated, all bets on American Football are determined on the basis of the result after the so called extra (over) time.

2) All offers will be declared void unless 55 minutes of play have been completed except for those the outcome of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.

3) "Head to Head" and "Over/Under" bets involving one or more players’ performance in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage for bets to stand.

3. Athletics

1) Unless otherwise stated, all bets on Athletics are determined on the basis of the result after the final stage of that competition. If neither of the listed participants takes part in the final stage, all bets will be void, unless the governing association follows specific tie-breaking procedures, in which case, these will be deemed valid.

2) All bet offers will be settled based on the first official result being presented. However Unibet will take into account and settle/re-settle accordingly, following any changes to the official result issued within 24 hours after the event has taken place. For such eventuality to be considered, the protest must be attributable to incidents happening exclusively during the event, such as a line infringement, pushes or a false handover in a relay race, etc. No doping cases will be considered. The result available at the end of the aforementioned 24 hours will be deemed as binding regardless of any further protests, changes to the official result, etc.

3) If two or more participants take part in different heats during a competition, all Head-To-Head-offers between them will be considered void, unless there is a later stage in the competition that at least one of them qualifies for.
4) A participant that is disqualified due to infringement of the start procedure (false start) will be deemed as having taken part in the event.

4. Australian Rules Football

1) Unless explicitly stated, should a match or else a specified period (ex. 1st Half, 3rd Quarter, etc.) end in a draw, all bets will be settled according to the so-called “dead-heat” rule. In such case the payout would be calculated after the odds are divided and then multiplied by the stake, irrespective of whether the net payout is lower than the Account Holder’s stake.

2) Unless otherwise stated, all bets referring to matches will be settled on with the result at the end of 4th Quarter (normal time).

3) All bets referring to player performance, as well as “Head to Head” and “Over/Under” bets involving one or more players’ performances in a single match/event are considered valid given that the specified players play from the start of the match.

4) First Goalscorer in the match/1st Quarter - Stakes will be refunded on players who are not in the starting 21. Bets on First Goalscorer in the match do not require the goal to be scored in the 1st Quarter. Should no goal be scored in the listed period all bets will be settled as void.

5) First Goalscorer in the 2nd, 3rd or 4th Quarter - All bets stand irrespective of the player’s participation (or lack thereof) in the listed Quarter and the match. Should no goal be scored in the listed quarter all bets will be settled as void.

6) Wire-to-Wire" betting refers to which team (if any) is leading the match at the end of each quarter.

7) Should any replay/extra matches be required to determine any position in the classification, league winners, etc., the outcomes deriving from these replays/extra matches will be used for the settlement of the respective bet offer.

8) For match betting on a Grand Final, the betting is specific to the upcoming match to be played, or the current match, in the case of live betting. Bets will not carry over to any replay and a new market will be added for any subsequent matches.

9) When settling offers which relate to the performances of two or more individuals/teams over a stipulated timeframe/competition, stages of elimination within the “Finals” will count for the settlement. Should two teams be eliminated at the same stage, the team that finished highest on the AFL ladder at the conclusion of the Regular Season will be considered as having achieved a better position.

10) All bets stand, regardless of change of venue.

5. Badminton

1) Terms and conditions stated for Tennis apply where applicable.
6. Baseball

1) Unless otherwise stated, bets on Baseball are determined on the basis of the result after any eventual extra innings, and regardless of the amount of innings played, as declared by the organising association.

2) A bet is declared void on a cancelled or postponed match which has not started, or in the case of a result not having been issued within twelve hours of the scheduled start time.

3) "Match" bets will be declared void in case of a draw after the eventual extra innings. All other offers which could reasonably be settled (e.g. "Over/Under", "Handicap" and "Odd/Even") will be settled according to the result after the extra innings.

4) "Handicap", "Over/Under" and "Odd/Even" bets require all scheduled innings to be completed, or at least 8.5 innings to be completed if the home team is in advantage, for bets to stand. This applies to all offers except those the outcome of which has been decided prior to the abandonment and could not possibly be changed regardless of future events. These will be settled according to the decided outcome.

5) The name of the so-called starting pitcher has no relevance on how offers are settled.

6) For settlement purposes "First Half" bets are deemed to be referring to the outcomes deriving from the first 5 innings. All 5 innings must be completed for bets to stand except for those offers the outcome of which has been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.

7) "Head to Head" and "Over/Under" bets involving one or more players' performance in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage for bets to stand.

8) All bets referring to aggregated Tournament Totals (such as Runs, etc.) will be settled based on official statistics by the governing association. Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Extra Innings).

7. Basketball

1) A bet on Basketball is determined on the basis of the Result after the so-called extra (over) time, unless otherwise stated.

2) Bets referring to the match outcome (aka “Moneyline”) from ties which are decided over two or more match-ups will have the "Including Overtime" offer voided in case the match ends in a draw and no further play is done in that particular match.

3) In multiple legged ties, all points collected during any overtime period will count for the final settlement of that particular match.
4) "Head to Head" and "Over/Under" bets involving one or more players' performance in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage for bets to stand.

5) All bets referring to aggregated Tournament Totals (such as Points, Rebounds, Assists, etc.) will be settled based on official statistics by the governing association. Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Over Time).

8. Beach Volleyball

1) All bets will remain valid as far as the match/offer is played within the tournament framework regardless of any changes in schedule, conditions, etc., unless other arrangements have been agreed.

2) “Match” bet offers are based on the general principle of tournament progress or tournament win, depending on which phase of the competition the match refers to. The team progressing to the next round or winning the tournament is to be considered the winner of the bet regardless of match duration, withdrawals, disqualifications, etc. These bets require at least one set to be completed for bets to stand.

3) “Over/Under” offers on unfinished matches/events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum amount of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer, this will be settled as such. See examples from the Tennis section for reference.

4) “Handicap” offers require all scheduled sets to be completed for bets to stand except in those events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers which will be settled accordingly. See examples from the Tennis section for reference.

5) All “Correct Score”, “Odd/Even” and those offers which refer to the winner of a particular period in the match (example “E.g. Team to win the first set”) require the relevant part of the match to be completed.

9. Boxing

1) All offers will be settled according to the official result of the relevant governing body immediately as declared by the ring announcer at the end of the fight.

2) For settlement purposes, in case the match is interrupted for any reason in between rounds, e.g. retirement before the start of a round, disqualification, failure to answer the bell, the fight will be deemed to have finished at the end of the previous round.
3) Offers on fights declared as a "No Contest" or "Technical draw" will be settled as void, except for those offers the outcome of which has been decided prior to the decision and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.

4) If for any reason, the number of rounds in a fight is changed, offers which make specific reference to rounds, such as "Round betting", "Group of Rounds", "Over/Under", "Method of Victory" and "To go the distance" will be declared void.

5) For settlement purposes, betting on rounds or groups of rounds refers to a fighter to win by KO (Knockout), TKO (Technical Knockout), or disqualification during that round or group of rounds. If for any reason, a points decision is awarded before the full number of scheduled rounds is completed, or a boxer is disqualified, bets will be settled on the round in which the fight was stopped. Bets which nominate 'to win on points' will only be deemed winners if the full number of rounds is completed.

6) For a match to be declared as having been decided by "points", (e.g. the different definition of "decision"), all scheduled rounds must be completed. All other decisions (e.g. KO, TKO, withdrawal, submission, disqualification, failure to answer the bell, clash of heads, low blow, etc.) will be settled as if the boxer has won the fight without the need of a decision, aka "before the bell".

7) Bets referring to round/fight duration represents the actual time passed in the round/fight, as applicable, depending on the scheduled round/fight duration. For example a bet on Over 4.5 Total Rounds in a Boxing fight will be settled as Over once a minute and a half in the 5th Round has passed.

10. Cricket

a. General Cricket Rules

1) In cases where no odds have been offered for a tie and the match/offer ends in a tie, bets would be settled according to the so-called “dead-heat” rule where the payout would be calculated after the odds are divided and multiplied by the stake, irrespective whether the net payout is lower than the Account Holder’s stake. Should such provision be in place it would be listed in conjunction with the bet offer. In competitions where other means are used to determine a winner after a tie ('Bowl out' or 'Super over') then offers will be settled based on the result after such prolongations are completed.

2) “Highest Opening Partnership” requires that both sides complete their opening partnerships with the exception of those situations where an outcome has already been determined.

3) “Batting” Head to Heads require that both players be at the batting crease while a ball is bowled, though not necessarily facing a ball. In case either batsman’s innings are not completed bets will be voided with the exception of those situations where an outcome has already been determined.

4) “Bowling” Head to Heads require that both players bowl at least 1 ball for bets to stand.

5) Total “Batsman Runs” (Over/Under) require the innings to be completed. In cases where a batsman’s innings is ended by weather or bad light, all bets where a result has not been determined will be
declared void. A result is deemed to have been determined if a Batsman has passed the Run total at which the bet was accepted, has been dismissed or an innings is declared. For example, if a Batsman’s score stands at 50 ‘Not-Out’ when a game or innings is terminated due to bad light or rain, all bets on 50.5 Runs will be voided. However, all bets on “Over 49.5 Runs” will be considered as winning while bets on “Under 49.5 Runs” will be settled as losing. Should a batsman retire due to injury, his score at the end of his team’s innings will be considered as the result for that bet.

6) In “Fall Of Next Wicket” betting should either batsman retire due to injury before a result has been determined all bets will be declared void. A result is deemed to have been determined if the Innings total has passed the Run total at which the bet was accepted. If a team declares or reaches their target, the total achieved by the batting team will be the result of the market. If a partnership is disrupted due to weather all bets will stand, unless there is no further play in the match. In such case all bets where a result has not been determined will be declared void.

7) For “Next Over” betting (Over/Under & Odd/Even), extras are included for settlement purposes. Bets will be void if the Over is not completed unless a result has already been determined. Market refers only to the listed Over (e.g. “5th Over” refers to Over number 5, i.e. the Over directly following Over Number 4).

8) In “Race to X Runs” both players must open the batting for bets to stand.

9) For “First Over” Runs the Over must be completed for bets to stand, unless the maximum range offered has already been achieved. Any Extras count for settlement purposes.

10) For “First Scoring Play” betting, should Runs be scored from a “No ball”, extras will be deemed as the winner.

11) In “Wicket 1st Over” betting the Over must be completed for bets to stand, unless a wicket has already fallen.

12) In “Next Man Out” betting bets will be settled as void if either player retires due to injury before the wicket falls or there is no further wickets. Both named Batsmen must be batting at the fall of the nominated wicket for bets to stand.

13) For “Method of Dismissal” betting bets will be void if either player retires due to injury before the wicket falls or there is no further wickets. ‘Any Other’ includes hit wicket, handled ball, obstructing the field, timed out or hit the ball twice.

14) For Odd/Even betting a ball must be bowled for bets to stand.

15) "Top Batsman" and "Top Bowler" bets placed on any player not in the starting 11 will be declared void. Bets on players who are selected but do not bat or field will be settled as losers.

16) Settlement of betting on "Wides" will be based on the "Runs" scored from "Wides" and not the number of "Wides" bowled.
b. Limited Overs (including One-Day Internationals, Twenty20s & Domestic One-Day cricket)

1) Should a match be transferred to a ‘reserve’ day, all bets will remain valid.

2) Head to Head betting pays on official result. In the event of a tie, dead heat rules as explained in Clause 1 of the General Cricket Rules might apply unless a subsequent tiebreaker method is used to determine the winner (e.g. super over, bowl-off), in which case the outcome will be settled on the result of this method. Should the match be declared a ‘no-result’ all bets are void. Any other betting on the match (example High Bats, Most Sixes, Batting & Bowling Head to Heads etc.) will not include any outcomes deriving after the dispute of the tiebreaker.

3) “Top Batsman/Bowler” requires a minimum of 20 overs to be bowled per innings of a One Day Match, unless a team is All-Out or the match is completed, or a minimum of 5 overs to be bowled per innings of a Twenty 20 match, unless a team is All-Out or the match is completed.

4) For “Total Team Runs” betting, all bets will be declared as void should the number of Overs be reduced due to weather, or any other reason, from the standard scheduled number of Overs in a Twenty 20 match or any other limited Overs match. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.

5) For “Highest 1st 6/15 Overs” bets will be void if both teams do not face the full amount of overs unless target has been reached or the team has been bowled out. In the event of a tie dead heat rules as explained in Clause 1 of the General Cricket Rules might apply.

6) For “Most Fours/Sixes/Wides/Run-outs” betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.

7) For “Total Fours/Sixes/Wides/Run-outs” betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.
8) For “Winning Margin” bets are void if there is any reduction in the original scheduled Overs for either team.

9) Highest Individual Score bets are void if there is any reduction in scheduled Overs for either team unless a “Century” has already been scored.

10) In Team of Highest Individual Score there must be an official match result for bets to stand.

11) For “Team of Top Batsman” betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly. In the event of a tie, dead heat rules might apply as explained in Clause 1 of the General Cricket Rules.

12) For “Fifty/Century in Match” betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets on Most Sixes/Run-Outs will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.

C. Test Matches/First Class Matches (including domestic cricket e.g. Sheffield Shield)

1) If a match is officially abandoned (e.g. due to dangerous pitch conditions) then all undecided bets on the match are void.

2) In “Match Result” betting in the event of a tie (where both teams have completed two innings each and have the same score) all bets to win on either team might be paid as a dead heat, as explained in Clause 1 of the General Cricket Rules, while bets on the draw are losing bets.

3) In “Draw No Bet” offers, bets are void if the match finishes in a draw or tie.

4) In “Double Chance” offers, bets will be void if the match finishes in a tie.

5) Settlement of “Most Points” offers will be based on who has most points awarded for the match (e.g. Sheffield Shield).

6) “Top Batsman/Bowler” (innings) offers require 50 Overs to be completed for bets to stand, unless the Innings has reached its natural conclusion (including ‘Innings declared’).

7) “Top Batsman/Bowler” (match) offers require 50 Overs to be completed for bets to stand, unless the Innings has reached its natural conclusion (including ‘Innings declared’).
8) For “Innings Runs” offers all bets will be void if 50 overs are not bowled, unless an innings has reached its natural conclusion, or is declared. If an innings is declared at any point bets will be settled on the declaration total.

9) “Session Runs” betting requires 20 overs to be bowled in a session for bets to stand.

10) For “Test Match Finish” offers, where a match finishes in a draw, the winner will be deemed as ‘Day 5, Session 3’.

11) “Highest Opening Partnership” offers apply to first innings only.

12) “First Innings Lead” offers require both teams to be bowled out or declare their first innings for bets to stand. In the event of a tie, dead heat rules as explained in Clause 1 of the General Cricket Rules might apply.

13) “First Innings Century” offers require 50 overs to be bowled unless a result has already been determined or the innings has reached its natural conclusion (including innings declared).

14) For “Fifty/Century/Double Century in match” in either Test or First class matches, bets will be void in drawn matches where the number of Overs bowled is less than 200, unless a result has already been determined.

15) For “Fifty/Century/Double Century in match” in ‘Home/Away 1st Innings’ of either Test or First class matches, bets will be void unless the Innings reaches its natural conclusion (including ‘Innings declared’) or a result has already been determined.

16) For “Fifty/Century/Double Century in match” in Either 1st Innings of either Test or First class matches, bets will be void unless both Innings reach their natural conclusion (including ‘Innings declared’) or a result has already been determined.

17) For “Fifty/Century/Double Century in match” in ‘Home/Away 2nd Innings’ of either Test or First class matches, bets will be void in case the number of Overs bowled for that Innings is less than 50, unless a result has already been determined.

d. Series/Tournament Betting

1) Should no draw odds be offered for a “Series Winner” bet and the series is drawn, all bets will be declared void.

2) If a tournament is not completed but a winner or winners are declared by the governing body, bets are paid on the winner(s) as declared (dead heat rules as explained in Clause 1 of the General Cricket Rules might apply). Should no winner be declared then all bets will be settled as void.

3) All tournament betting includes Finals, unless otherwise stated.

4) If for any reason, the number of matches in a Series is changed and does not reflect the number envisaged in the offer all “Series Correct Score” offers will be declared void.
5) In “Top Series Runscorer/Wicket Taker” offers where a tie occurs, dead heat rules apply, as explained in Clause 1 of the General Cricket Rules. No refunds will be issued on players not participating. At least one game must be completed in the tournament/series for bets to stand.

6) Bets referring to a particular player/teams' performances in a Series/Tournament will not take into account any statistics accumulated from warm-up matches.

11. Curling

1) Settlement of all bets referring to Curling will be based on the result after eventual extra innings, unless specifically specified.

12. Cycling (Track & Road)

1) Settlement of offers will be based upon the rider/team achieving the highest position at the end of the stage/event.

2) The decisive factor in settling bets will be the highest placing in the specified event as listed by the official organisation at the time of the podium presentation, disregarding subsequent disqualifications, changes to the official result, etc.

3) All "Head to Head" and “Over/Under” bets featuring the performance of one or more riders in an event/stage are considered valid given that all listed riders start the relative event/stage and at least one completes the said event/stage.

4) Bets referring to the outcome upon completion of the event require that the specified event is considered as completed in full and its result is declared, otherwise bets will be declared void, unless the result is already determined. In case the full number of stages for an event is not totally completed, or if the organizers decide to remove the result of certain stages from the computation of the official result, then the bets will be deemed valid granted that the number of the excluded stages does not exceed 25% of the pre-established number of stages (excluding prologue) at the beginning of the competition.

5) All bets will be deemed as valid provided that the Event, or the relative stage to which the bet refers to, is played within the same year, unless other arrangements have been agreed to.

6) Bets on performances in a particular stage stand regardless of any route modifications which the organizers might deem fit to consider and apply during the stage. Exception to this is the case where a stage which has particular characteristics (E.g.: a Mountains stage) is changed by the organizers, before the stage starts, into a stage which has other predominant characteristics (E.g.: Time Trial or low-lying stage). In such case bets which have been placed before the announcement of the change in stage concept will be declared void.

7) Unless otherwise specified, in a team/rider performance bet offer in a specific event (such as Total Stage wins by Team/Rider X in Tour Y) or "Head to Head" bet offers involving two riders/teams
performances in specific events, occurrences happening in events which are given any of the following denominations will not count towards the settlement: Prologue, Team Time Trial.

13. Cyclo Cross

1) Terms and conditions stated for Cycling apply where applicable.

14. Football

1) First Goalscorer – The bet refers to a specific player being the scorer of the first goal either during a particular timeframe of the event (e.g. “First goal in the match” or “First goal in the 2nd Half”), or else being the first scorer for his team (e.g. “First Goalscorer – Team X”). Stakes will be refunded on players who do not take part in the match or else come on the field of play after the goal to which the bet refers to has been scored. Own goals do not count for the settlement of this offer. Should the goal to which the bet refers to be deemed as an own goal, the next player to score a goal which is not an own goal and conforms with the bet offer parameters will be deemed as the winning outcome. In case no goals (or no further goals, as applicable) is/are scored which are not own goals and fulfil the remaining bet offer parameters, all bets will be considered lost.

2) Last Goalscorer – The bet refers to a specific player being the scorer of the last goal either during a particular timeframe of the event (e.g. “Last goal in the match” or “Last goal in the 1st Half”), or else being the last scorer for his team (e.g. “Last Goalscorer – Team X”). Stakes will be refunded only on players who do not take part in the match at all. In all other instances bets will remain valid, irrespective of the time of inclusion/substitution of the player. Own goals do not count for the settlement of this offer. Should the goal to which the bet refers to be deemed as an own goal, the previous player to score a goal which is not an own goal and conforms with the bet offer parameters will be deemed as the winning outcome. In case no goals (or no previous goals, as applicable) is/are scored which are not own goals and fulfil the remaining bet offer parameters, all bets will be considered lost.

3) “Scorecast” and “Matchcast” are bet offers where it is possible to bet simultaneously on a particular occurrence (e.g. First Goalscorer) combined with another from the same, or related event (e.g. Correct Score in the match, or match outcome). Should the bet refer to First or Last Goal Scorer, terms and conditions as stated in <Section C, Para 14.1> and <Section C, Para 14.2> will apply, where applicable. Stakes will be refunded on players who do not take part in the match at all. In all other instances bets will remain valid, irrespective of the time of inclusion/substitution of the player. Own goals do not count for the settlement of this offer.

4) Unless otherwise specified, or indicated in conjunction with the bet offer, all other goal-related bets will require the listed player(s) to play from the start of the match to be valid. Own goals will never count as a goal scored for any selected player.

5) On all bets related to yellow/red cards, booking points, etc., only cards shown to players which at that moment are on the pitch are valid for settlement purposes. Cards, disciplinary actions, suspensions, imposed on any other individual which at the moment of the sanction is not, or should not, be
actively playing on the pitch, as well as disciplinary measures taken after the game has officially ended, are disregarded.

6) All disciplinary-related bets referring to individual(s) (e.g. yellow card, red card, number of fouls), will require the listed player(s) to play from the start of the match to be valid.

7) "Booking Points" are calculated according to the following rules: Yellow card = 10 points, Red card = 25 points. Maximum points for one player are 35.

8) "Head to Head" and "Over/Under" bets involving the performance of one or more players in the match are considered valid given that all listed players start the match for bets to stand.

9) "Head to Head" and "Over/Under" bets involving the performance of one or more players in the event/tournament are considered valid given that all listed players take part in the event/tournament at some stage for bets to stand.

10) All bets referring to aggregated Tournament Totals (such as Goals, Corners, Cards, Penalties, etc.) will be settled based on official statistics by the governing association. Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Extra Time) but not Penalty Shoot Outs.

11) Unless specifically stated, all bets referring to a particular team winning a number/selection of trophies in the same season will be based on the particular team’s performance within the following competitions: the domestic league, the apparent equivalent of the respective FA Cup and League Cup as well as the Champions League or Europa League. Other trophies (e.g. domestic and European Super Cup, World Club Cup) do not count.

12) The "Domestic Double" is to be considered as the team’s victory in the apparent equivalent of the respective domestic league and FA Cup.

13) "Total Cards" are calculated according to the following rules: Yellow card = 1 card, Red card = 2 cards. Maximum cards for one player are 3 cards.

14) Bets on whether a particular player(s) will manage to score from certain areas of the pitch (E.g. from outside the ‘penalty box’) will be settled based on the position of the ball at the time the shot was struck by the player, irrelevant of any further deflections which the ball trajectory might incur following the initial shot. For the sake of clarity it is to be understood that the lines delineating the ‘penalty box’ are to be considered as an integral part of such area of the pitch. Thus, should a shot be struck with the ball hovering above, or touching, even partially, said lines, the shot will not be considered as having been effected from outside the box.

15) Bets on whether a particular player(s) will manage to hit the cross bar, goal post or any other part of the frame delineating the goal area will only be settled as having accomplished such feat if the shot does not result directly in a goal being awarded exactly after the ball hits a part of the goal frame.

16) During certain events Unibet might decide to offer for betting a reduced selection of participants (E.g. Any unlisted Team X player) or else a single participant as a representation of the whole squad (E.g. “Any Team X player”). In both cases for settlement purposes, all unlisted squad members are to be
deemed as starters (and settled as such), including substitutes regardless whether they take part in the match or not.

17) Bets on the performance of players starting the match on the bench will be settled as void if the player is either listed in the starting XI or does not take part in the match at all.

15. Golf

1) All bets will be deemed as valid as much as the Tournament, or the relative round to which the bet refers to, is played within the same year, irrespective of any time delays, unless other arrangements have been agreed to.

2) All bets referring to Tournament Performance (Winner, Place, Group Betting, Top Nationality, Individual Final Position, etc.) will be deemed valid as long as 36 holes have been completed by the eligible players, and an official result has been declared by the organisation.

3) Bet offers already decided are considered as valid bets even though 36 holes are not played and/or an official result has not been issued by the organisation.

4) Any result deriving from officially-sanctioned playoffs will count towards the settlement of the offers.

5) Bets on players who start the tournament but withdraw voluntarily or are disqualified will be settled as losing bets, unless the result of the offer which the bet refers to is already determined.

6) All Win/Place bets referring to the Competition Winner and Top Nationality Markets placed after 00:00CET of the Monday of the week of the tournament on participants who do not compete at all will be refunded. All other Win/Place bets will be deemed valid.

7) In outright bets which include a limited selection of participants, such as Top Nationality, Group Betting, etc., Unibet reserves the right to apply Tattersals Rule 4 on any non-starter. Dead Heat rules will apply except for cases where a play-off has determined a better finishing position.

8) All "Head to Head" bet offers require all participants to start in the event/round to which the bet refers to.

9) In "Head to Head" bets featuring only two players, stakes will be refunded if both participants share the same finishing position and no draw option has been offered. In "Head to Head" bets featuring three players, should two or more participants share the same finishing position, stakes will be divided in accordance with <Section B, Para 5.19>.

10) Settlement of "Head to Head" bet offers involving the performance of two or more players (e.g. Best Finishing Position in the tournament) will be based upon the best finishing position/lowest score (as applicable) achieved in the relative event/round which the bet refers to.

11) Any reference to Make/Miss the "Cut" requires an official cut/exclusion effected by the organisations for bets to stand. In the case of tournaments where players are eliminated during more than one phase, settlement will be based on whether the player has qualified or not following the first "Cut" made.
12) Disqualification/withdrawals by a player before the "Cut" is made, will result in the player being considered as having missed the "Cut". Disqualification/withdrawals subsequent to the "Cut" being made will be irrelevant towards the original settlement of the "Make the Cut" offers.

13) In "Head to Heads" based on the best finishing position in the tournament, in case one player misses the cut then the other player will be settled as the winner. If both participants fail to make the "Cut" the player with the lowest score at the "Cut" will be considered as the winner. Should both players fail to make the "Cut" with the same score then the bet will be void. A player disqualified after the "Cut" has been made is deemed to have beaten a player who has failed to make the "Cut".

14) Any reference to "Majors" will be based on the tournaments for that particular season to which the PGA attributes said definition, irrespective of any venue, date, or any other changes.

16. Handball

1) "Head to Head" and "Over/Under" bets involving the performance of one or more players in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage for bets to stand.

2) All bets referring to aggregated Tournament Totals will be settled based on official statistics by the governing association. Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Extra Time) but not Penalty Shoot Outs.

3) Settlement of player related bets in a specific match will be based on the result after the end of the 2nd half (Regular Time), unless otherwise stated.

17. Trotting

1) A Head-to-Head Bet where at least one horse completes the race is determined on the basis of the declared official result issued by the governing association.

2) A Head-to-Head Bet where both horses fail to get an official result is declared void.

3) A Head-to-Head Bet where both horses are recorded with the same official time is determined on the basis of which horse is notified in the Result as having placed ahead of the other horse; if it is impossible to determine whether one horse is ahead of the other horse on the basis of the Result, the Bet is declared void.

4) A Head-to-Head and/or Triple Head bet is declared void in the event that:
   a. All participating horses fail to complete the race; and/or
   b. None of the participating horses is awarded any prize money.

5) In case of misprints regarding information, such as, but not limited to, race and start numbers, race names, starting methods or distances, the bet will still be considered valid given that all listed horses take part in the same race within the same meeting.
6) All bets refer to the listed/race meeting. Should the race/meeting not be held/completed within the scheduled date, all bets placed after 00:00 CET of the scheduled day will be settled as void. Bets placed before 00:00 CET of the scheduled day will remain valid granted that the race/meeting is held within its scheduled year.

18. Ice Hockey

1) Settlement of player related bets in event/tournament will be based on the result after potential over (extra) time, but not Penalty Shoot Outs, unless otherwise stated.

4) Settlement of player related bets in a specific match will be based on the result after the end of the 3rd period (Regular Time), unless otherwise stated.

5) For the purpose of settlement, “Over/Under” bets referring to Total Goals Scored in the match including any eventual goals scored in Overtime and Penalty Shootouts, will be settled by counting as only “1” the goals scored by either team during the prolongations. The following examples can be used for consideration:
   • Example 1 - Over/Under (Regular Time): Match ends 2-2 at the end of the 3rd period. Total Goals will be settled as 2-2 (4 goals in total).
   • Example 2 - Over/Under (Including OT and Penalty Shootout): Match ends 2-2 at the end of the 3rd period and Team A scores in OT. Total Goals will be settled as 3-2 (5 goals in total).
   • Example 3 - Over/Under (Including OT and Penalty Shootout): Match ends 2-2 at the end of the 3rd period. OT ends 0-0 while during the Penalty Shootout Team A scores 1 and Team B scores 2. Total Goals will be settled as 2-3 (5 goals in total).

19. Motor Sports

1) This section is valid for all sports related to Motor Racing, such as: Formula One, A1 GP, CART, Indy Car, Nascar, Circuit Racing, Touring Cars, DTM, Endurance, Rally, Rally-cross, Motorcycling, Superbike.

2) Bets are settled according to the publication of live timing and classification as shown on TV at the time of podium presentations, or at the end of the session/race/event (as applicable). Should the information required for the settling of the offer be missing/not shown and/or incomplete, the first official information on the official site will be deemed binding, regardless of subsequent promotions, demotions, appeals and/or penalties inflicted after the termination of the session/race which the bet refers to.
3) Events being shortened due to weather conditions or other situations but are deemed official by the
governing association will be settled accordingly, regardless of any changes which said associations
might make due to the incompletion of the race.

4) Should an event/race/session/lap/heat be restarted from the beginning, bets will stand and will be
settled according to the result issued after the restart, except for those bets the outcome of which
has already been determined.

5) For settlement purposes, a driver/rider who has taken part in an officially-sanctioned practice or
qualification session is considered to have taken part in the event, regardless of his eventual
participation in the actual race.

taken part.

changes.

will be refunded should the race/event/session that the offer refers to not be held within 7 days of
the scheduled date at the time the bet was placed.

16) Settlement of bets referring to the inclusion of the "Safety Car" will not take into account those occurrences in which the actual race starts behind the "Safety Car".

17) Settlement of offers on the first driver/car to retire will be based on the actual lap in which the driver is considered to have withdrawn from the race. Thus if two or more drivers retire during the same lap bets will be settled in accordance with <Section B, Para 5, Clause 14>.

In such cases bets are settled according to the so-called “dead-heat” rule where the

4) Try Scorers (First/Last/Anytime/Team) – All bets include any potential extra (over) time. Any bets placed on players in the game day 17 stand regardless of the player’s participation (or lack thereof) in the match. Stakes on players not included in game day 17 will be refunded.

3) “Over/Under” offers on unfinished matches/events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum amount of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer this will be settled as such. See examples from the tennis-section for reference.

4) “Handicap” offers require all scheduled heats to be completed for bets to stand except in those events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers which will be settled accordingly. Should such provision be in place it would be listed in conjunction with the bet offer.
27. Swimming

1) Unless otherwise stated, all bets on Swimming are determined on the basis of the result after the final stage of that competition. If neither of the listed participants takes part in the final stage, all bets will be void, unless the governing association follows specific tie-breaking procedures, in which case, these will be deemed valid.

2) All bet offers will be settled based on the first official result being presented. However, Unibet will take into account and settle/re-settle accordingly, any changes to the official result issued within 24 hours after the event has taken place. For such eventuality to be considered, the protest must be attributable to incidents happening exclusively during the event, such as a lane infringement or an early start in a relay race, etc. No doping cases will be considered. The result available at the end of the aforementioned 24 hours will be deemed as binding regardless of any further protests, changes to the official result, etc.

3) If two or more participants take part in different heats during a competition, all Head-To-Head-offers between them will be considered void, unless there is a later stage in the competition that at least one of them qualifies for.

2) “Match” bet offers are based on the general principle of tournament progress or tournament win, depending on which phase of the competition the match refers to. 3) “Over/Under” and “Handicap” offers on unfinished matches the outcome of which is already determined before the interruption of play and/or where any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum amount of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer this will be settled as such. The following examples can be used for consideration:
   - Example 1 - Over/Under: A retirement occurs in a match scheduled for three sets with the score 7-6, 4-4. The offers: “Total Games Set 2 – 9.5” (or any lines lower than that amount) & “Total Games Played in the Match – 22.5” (or any lines lower than that amount) will be settled with
“Over” bets as winning and “Under” bets as losing. Bets on lines higher than that will be settled as void.

- Example 2 - Handicap: A retirement occurs at the start of the 3rd set in a match scheduled for 5 sets with the score at 1-1. Bets on +2.5/-2.5 Sets will be settled as winners and losers respectively. Offers on any lines lower than that amount will be settled as void.

6) In a Doubles match, all bets will be declared void if any of the stated players are being replaced.

7) Any reference to "Grand Slams" will be based on the tournaments for that particular season to which the ITF attributes said definition, irrespective of any venue, date, or any other changes.

8) Unless explicitly stated, all bets on Davis Cup matches will be voided in case it is decided that the match is played in any other format than “Best of 5 Sets”, (e.g. Best of 3 Sets).

9) Offers relative to the Davis Cup are offered with the explicit assumption that the particular match-up will form part of the so-called “rubbers” for the next available Singles session, which usually consists of two Singles matches per session. All bets will be cancelled on matches which are intended for the first or second rubber (usually Friday Singles matches) which had the listed participants changed, regardless of the fact that the same encounter could actually happen during other match-ups of the same tie/round.

10) Results acquired in a "Pro Set" will be valid only for the following offers: "Match", "Set Handicap", "Set Betting" and "Total Sets". All other types of offers will be settled as void, with the exception of offers the outcome of which is already determined.

11) In cases where a "Match Tie-Break" is used by the organizing committee/federation as the deciding factor in determining the outcome of the match, said "Match Tie-Break" will only count as 1 "Game" as applicable. (Example: A match with the following scores: 6-4 (Set 1), 2-6 (Set 2) and 10-8 (Match tie-break) will be resulted in Participant/Team A winning 9 Games (6+2+1) while Participant/Team B will be considered as won 10 (4+6+0).

29. Volleyball

1) Any points tallied during the so called “Golden Set” will not count for the settlement of the offers relating to that particular match, with the exception of any bets referring to tournament progression and Tournament Totals.

1) Settlement of player-related bets in match/event/tournament will be based on the result after potential over (extra time, unless otherwise stated.
2) "Head to Head" and “Over/Under” bets involving the performance of one or more players in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage.

3) “Over/Under” and "Handicap" offers on unfinished matches the outcome of which is already determined before the interruption of play and/or where any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum amount of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer, this will be settled as such. See examples from the tennis-section for reference.

4) All “Correct Score” offers, “Odd/Even”, and those offers which refer to the winner of particular period/timeframe in the match (example “Which team will win the 1st set?” and “Set 2 – Race to 15 points” require the relevant part of the match to be completed.

30. Winter Sports

1) This section is valid for the following sports: Alpine Skiing, Biathlon, Cross Country Skiing, Freestyle, Nordic Combined, Short Track, Ski Jumping, Snowboard & Speed Skating.

2) Results from a competition will be deemed valid if it is declared as a valid competition for the relevant category, by the governing association for that sport. This applies in case of an event being shortened, such as only consisting of one run/jump instead of two, or an event being moved to another venue.

3) In cases of abandoned/uncompleted events, all those offers the outcome of which is already determined before the interruption of play and any further continuation of play could not possibly produce a different outcome are deemed valid and will be settled accordingly.

4) All offers will be settled as void if the original/stated format of an event is completely changed, like the size of hill in Ski Jumping, style in Course Country Skiing, etc.

5) Unibet reserves the right to apply Tattersalls Rule 4 in case of a non-starter in a “Group Betting” (“Best of X”) offer.

6) Offers related to specific Winter Sports events (excluding for example bets referring to Overall classifications, Olympic, World and Continental competitions), are offered with the explicit assumption that the particular event will be the next event held in that particular sports/discipline. Should the specific event be moved for any reason whatsoever and an exactly similar event for that sports/discipline is held in the same location starting in not more than 72 hours, the bets will be valid for the next scheduled event in that sports/discipline. Thus, if for example two separate races from
the same sports/discipline are scheduled for Friday and Saturday and the Friday competition is moved to Saturday or Sunday, the bets on the Friday competition will be settled in accordance with the next scheduled event, in this case Saturday’s events. In cases where just 1 event is scheduled in that sports/discipline and the starting time is moved less than 72 hours, bets will remain valid and will be settled accordingly. Should no event with the same connotations be held in the 72 hour period after the initially scheduled time, bets will be settled as void.

7) In a "Head to Head" between two or three participants, at least one of the listed participants must complete the final run/stage/jump which the bet refers to, for bets to be considered valid. Such provision is not applicable for Cross-country Sprint events which include different elimination stages as well as Ski Jumping. In such cases, settlement will be based on the official classification irrespective of whether any of the listed participants completes the final run/stage/jump.

1) The conditions stated in this section refer to all offers which would not be reasonably classified under the different sports categories (Ex. TV Programs, Politics, Awards & Prizes, Beauty Contests, Entertainment and similar). Whenever applicable, and unless otherwise stated in this section or in the offer, settlement of these offers will be based on the Unibet Rules under <Section B, Para 5>.

2) Unless otherwise specified below or in conjunction with the bet offer, all bets which fall under this section are valid until a result is officially declared regardless of any delays in the announcement, extra voting rounds, etc. which would be needed for the outcome to be announced.

3) All open offers involving participants who withdraw/have been evicted from TV shows (either departing voluntarily or following an organiser’s decision), will be settled as lost. Should the same participant re-enter the same competition at a later date, he/she will be treated as a new contestant thus previous bets will be settled as lost.

4) Bets referring to the removal of a participant are only valid for the next scheduled show. Any changes to the methods of eviction, amount and/or line-up of participants eliminated during the same program, or any other factors which were not reasonably expected will result in the bets referring to "Next eviction" or "Next Elimination" to be voided.

5) In the event of the show terminating before an official winner is declared, bets will be settled as a tie (i.e. dead heat) between the contestants who have not been eliminated. Win/Place bets on contestants who have been already eliminated will be settled as lost.

See examples from the Tennis section for reference.

   5) All “Correct Score”, “Odd/Even” and those offers which refer to the winner of a particular period in the match (example “E.g. Player to win the first set” or “First Player to reach X Frames”) require the relevant part of the match to be completed.

   6) All types of offers not specified above require at least one frame to be completed for bets to stand, except for those offers the outcome of which is already determined before the interruption of play and any further continuation of play could not possibly produce a different outcome.
35. Darts

1) All bets will remain valid as far as the match/offer is played within the tournament framework regardless of any changes in schedule, etc., unless other arrangements have been agreed.

2) “Match” bet offers are based on the general principle of tournament progress or tournament win, depending on which phase of the competition the match refers to. The player progressing to the next round or winning the tournament is to be considered the winner of the bet regardless of match duration, withdrawals, disqualifications, etc.

3) “Over/Under” offers on unfinished matches/events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum amount of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of legs which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer this will be settled as such. See examples from the Tennis section for reference.

4) “Handicap” offers require all scheduled sets to be completed for bets to stand except in those events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers which will be settled accordingly. See examples from the Tennis section for reference.

5) All “Correct Score”, “Odd/Even” and those offers which refer to the winner of a particular period in the match (example “E.g. Player to win the first set” or “First Player to reach X Sets”) require the relevant part of the match to be completed.

6) All types of offers not specified above require at least one set to be completed for bets to stand, except for those offers the outcome of which is already determined before the interruption of play and any further continuation of play could not possibly produce a different outcome.
D. Racing

1. Horse Racing

   a. General Horse Racing Rules

   1) All conditions stated in this section refer only to Horse Racing and have priority over any other rule or condition.

   2) All bets are governed by Tattersalls Rules of Betting as described on [http://www.tattersallscommittee.co.uk/](http://www.tattersallscommittee.co.uk/). These rules will govern the settlement of bets should anything occur that is not covered by the rules within this section.

   3) Settlements will be based upon the official result issued at the time of the ‘Weigh In’. Any changes after such result has been announced will not be taken into consideration.

   4) Any bets, with the exception of “Ante Post Betting” will be considered void should the race be abandoned or declared void. Should the race be postponed to a future day and the ‘Final Declarations’ stand, all bets will be deemed valid provided that the venue for said race has not been changed. In such other cases all bets will be declared void.

   5) Any reference to start times published in conjunction with any bet offer, refer to the official scheduled race time in local time. Unless otherwise specified within the Horse Racing rules, all bets will stand irrespective of any eventual changes to the race start time.

   6) In the event of a false start, or any other occurrence which would result in a race being re-run, the race will not be considered to have been 'under starter’s orders'. In such case stakes would be refunded on selections not taking part in the re-run. Any returns on the remaining selections would be subject to Tattersalls Rule 4. The number of runners taking part in the re-run will establish the ‘Place’ terms. However, regular Ante Post rules apply for Ante Post bets.

   7) Should a race be declared as being a “No-Race” and a re-run takes place, all bets will stand for the Horses that take part in the re-run. Prices offered for a “No-Race” will stand for the re-run race unless there is a non-runner, in which case all bets will be settled as per Tattersalls Rule 4.

   8) Settlement of bets on horses which either refuse to come out of the starting stalls, or else refuse to start in a National Hunt race will be based on the pronouncement of the official starter. Should the official starter deem the horse as being a runner, bets on that horse will be settled as lost.

   9) A race is considered to be ‘Walkover’ when only one horse takes part in the race.

   10) ‘Walkovers’ and void races count as races but any selection involved will be treated as a non-runner.

   b. Win Betting & Each Way Betting
1) A “Win” bet is a single stake on the chosen selection which will only be considered as won if the chosen horse wins the race.

2) An “Each Way” bet (aka EW) refers to a bet where the chosen selection must either Win or else place within the payout terms. The bet is divided in two parts (the “Win” part and the “Place” part) of an equal stake: thus a £1 EW bet will cost a total of £2.

3) All “Each Way” bets are governed by the Starting Price (aka S.P.) place terms. Thus place terms (1/4, 1/5 and number of places paid) will be determined by the number of horses coming ‘under starter’s orders’ and not by the number of declared runners when the bet was placed.

4) The following are the terms for “Each Way” betting:

   1. **Handicap Races**:
      - 2-4 runners = Win only
      - 5-7 runners = 1/4 the odds 1, 2
      - 8-11 runners = 1/5 the odds 1, 2, 3
      - 12-15 runners = 1/4 the odds 1, 2, 3
      - 16 or more runners = 1/4 the odds 1, 2, 3, 4

   2. **Non Handicap Races**:
      - 2-4 runners = Win only
      - 5-7 runners = 1/4 the odds 1, 2
      - 8 or more runners = 1/5 the odds 1, 2, 3

5) All Each-Way Doubles, Trebles, etc., are settled win to win, place to place.

6) “Betting Without” refers to the possibility of betting on whether a particular horse will be able to achieve a specific finishing position (Win or Place) should the listed horses be excluded from the computation of the official results.

7) ‘Each Way’ terms for “Betting Without” markets will be based on the number of runners who actually take part in the race after the listed horses are excluded from the total amount or runners.

8) Tattersalls Rule 4 deductions apply in case of non-runners within “Betting Without” markets.

c. **Prices - Early, Board and Starting**

1) It is possible to select from two (2) pricing options: the price at the time of placement or else the Starting Price (SP). The SP refers to the odds for the chosen selection at the start of the race. Should betting be available during the race, the SP will be calculated based on the last available odds for the selection. It is to be noted that SP is not available for Ante Post betting (AP).

2) Early Prices (EP) are the odds offered on the day of the event. These are usually offered between 8 and 10 am on the day of the event until 15 minutes from the start of the race. There might be cases (such as for Saturday racing and high profile meetings), where once the final declarations are known, EP are offered at different timeframes than the ones mentioned above.
3) The alternatives to SP, Board Prices (BP) or Industry Prices (IP) are normally shown around 15 minutes prior to the race.

4) Any bet, other than those placed at SP will result in the settlement being based on the price taken at the time of bet placement, as well as subject to the other rules stated in this section.

5) Stakes placed on EP and BP will be refunded in case a horse is withdrawn “not under orders”. Odds on horses within the same race will be subject to Tattersalls Rule 4(c) deductions, if applicable.

6) In cases of withdrawals which result in a new market being formed. All bets taken at EP or BP prior to the new market will be subject to Tattersalls Rule 4(c) deductions, if applicable.

7) Bets are accepted in races of two (2) or more runners for named selections at the current “Board/Show Prices” as transmitted to our service by the official information service (PA),

8) Should an erroneous price be transmitted, all bets taken on outcomes with wrong odds will be settled as void and stakes will be refunded.

9) In cases where to Tattersalls Rule 4 is applicable following the withdrawal of a horse, no further bets will be taken at “Board/Show Price”, unless a new market has been formed.

10) Horses offered as “Price Boosts”, “Knockouts” etc., will also be subject to a Rule 4 deduction should there be an applicable non-runner in the race.

11) Any reference to timeframes, price availability, etc. is to be deemed as indicative and not binding. Unibet reserves the right to alter such timeframes, issue prices, as well as suspend availability of any race or betting option at its sole discretion.

**d. Unnamed Favourite Betting**

The “Unnamed Favourite” (fav) and the “Unnamed Second Favourite” (2fav) refer to selections which are determined based on the following:

1) The horse which is given in the SP at the lowest odds is to be considered as the “Unnamed Favourite”.

2) Should the SP return two horses as the ones with the shortest odds the horse with the lowest race card number will be deemed as the “Unnamed Favourite”.

3) Should a horse be withdrawn ‘not under orders’ but is still returned favourite as per SP, the horse will be treated as a non-runner.

4) In the event of a ‘walkover’, after the market has been displayed all bets will be settled as void.
### Tattersalls Rule 4

1) Tattersalls Rule 4 is applicable in cases where a horse is withdrawn not coming under starters orders, or is officially deemed by the starter not to have taken part in the race.

2) Tattersalls Rule 4 deducts a set value from winning bets in order to compensate for the withdrawal of a horse in the specific race. The size of the deduction is determined by the odds (Early or Board/Show) that the horse has at the time of its withdrawal.

3) Deductions on the odds of the remaining horses are based on the following:

4) The tables which are referenced above include odds listed both in decimal and fractional format. In the event that the decimal options are not covered by their fractional equivalent, Unibet reserves the right to apply the Tattersalls Rule 4 deductions based on the decimal table.

5) Races which involve more than one withdrawal be subject to a maximum deduction of 90p per £1.

6) Where the total deduction on the market on which the bet was placed is 5p in the £, and only one horse has withdrawn, as a concession, the deduction will be waived. However, if two or more horses are withdrawn an accumulative Rule 4 deduction will be applied.
f. Ante Post betting

1) For a bet to be considered as an Ante Post bet (AP) it is to be placed prior to the overnight declaration stage. Usually such declaration is effected 48 hours prior to race start for Flat racing and 24 hours prior to race start for National Hunt racing.

2) AP stakes on horses which are not participating in the race will not be refunded and Tattersalls Rule 4 does not apply, unless specifically stated.

3) Should at least one of the following occurrences happen all AP bets will be declared void:
   i. The race is abandoned;
   ii. The race is officially declared void;
   iii. The conditions of the race are altered after bets are made (as defined under Tattersalls Rules);
   iv. A horse is balloted out under The Jockey Club Rules of Racing;
   v. The venue or running surface is altered (example Turf to Dirt/All Weather or vice versa);
   vi. The entries of the race are reopened.

4) Aside from the eventualities stated in this section, all AP bets will be deemed valid if the race is run within 14 full days from when initially scheduled, as long as the conditions of the race remain unaltered. Such conditions include that the rescheduled race is run on the same track, covering the same distance and that the race is not reopened for new entries. Should the rescheduled race fail to meet any of the aforementioned criteria, all AP bets will be settled as void.

5) AP bets are settled at the price and place terms applicable at the time of acceptance, Should a bet be accepted at wrong odds or Place terms, Unibet reserves the right, at its own discretion, to settle the bet as void and stakes will be refunded.

g. Tricast betting

1. Forecast & Tricast Betting – General rules
   a. Forecasts are made available and accepted in races with 3 or more runners.
   b. Tricasts are accepted in races where an official computer Tricast dividend is declared.
   c. Should no dividend be declared, bets will be considered as a computer straight forecast on the selections chosen to finish first and second with the third being discounted.
   d. Forecast bets are settled in accordance with the computer SP straight forecast returns. Should for any reason a Forecast SP return is not given, bets will be considered void.
   e. Forecast bets must always be named. No bets on unnamed favourites are accepted and should these be taken by mistake, they will be voided.
   f. Stakes will be refunded on Forecast and Tricast bets involving a non-runner.

2. Straight Forecast
   A Straight Forecast is where it is possible to bet on the exact finishing order of the first and second placed horse in a race.

3. Reverse Forecast
A Reverse Forecast is where it is possible to bet on the first and second placed horse in a race, irrespective of the finishing order. The cost of this bet is twice that of a Straight Forecast since such bet can be considered as 2 Straight Forecast bets.

6. Combination Tricast

h. ‘Place Only’ Betting

Unibet reserves the right, at its own discretion, to offer a ‘Place Only’ market on certain races. Such bets would be settled in the same way as the ‘Place’ part of an “Each Way” bet.

1) Should a horse be withdrawn ‘not under orders’, all stakes on that horse will be refunded. Deductions in accordance with the Rule 4 tables below will apply. These deductions will be based on the ‘Place Only’ price at the time of the withdrawal and will apply to the ‘Place Only’ market.

2) The number of places paid will be determined by the declarations on the day of the race. Should the number of places be reduced because of a reduction in the number of runners, for the purposes of ‘Place Only’ betting the number of places paid will remain unchanged. However, should the number of runners be equal to or less than the number of places on offer, bets on this market will be declared void and stakes refunded.

3) Deductions on the odds of the remaining horses are based on the following:

<table>

Such provision is not applicable in cases where after the racecourse declaration stage has passed, (45 minutes before race scheduled start); a reserve takes the place of a withdrawn horse, and therefore is considered as an official runner. Following the aforementioned deadline, should the ‘reserve’ horse withdraw, Tattersalls Rule 4 deductions will apply.

In such cases bets will be settled at EP. In cases where no industry SP is available, bets will be settled in accordance with the US Pari-Mutuel/Tote odds.

4) All US Racing transactions will be handled in the Account’s designated currency and will not go directly into US Tote pools.

5) US track dividends are normally returned at a $2 dividend. For payout calculation purposes, dividends must be divided by 2 in order to get the actual return.

6) Should no dividend be declared by the host track, the bet will be settled as void.

7) US racing bets will be settled according to the horse name only.

8) The following payout terms will be used when settling offers:
   - ‘Win’ bets will be settled according to the Win pool;
   - EW bets with 8 or more runners will be settled according to the Win and Show pool;
   - The ‘Place’ parts of an EW bet for races with 5 to 7 runners will be settled according to the Place pool.

9) A bet on a ‘Coupled’ horse will be considered as such for all bets placed, not only ‘Win’ bets. A bet on a horse coupled with 1 or more horses will include all horses with the same number. Should one of
the coupled horses be considered as a non-runner, the bet on the other selections will still be considered valid.

2. Greyhounds

a. General Greyhounds Rules

1) All conditions stated in this section refer only to Greyhounds and have priority over any other rule or condition.

2) Unibet will normally publish odds on all events covered by BAGS [http://www.bagsracing.com/]. Unibet reserves the right to alter such offering by adding or removing events, irrespective of whether the races which are added/removed are covered by BAGS.

3) Settlements will be based upon the official result issued by the judge. Any changes after such result has been announced will not be taken into consideration.

4) Any bets, with the exception of “Ante Post Betting” will be considered void should the race be abandoned or declared void.

5) Any reference to start times published in conjunction with any bet offer, refer to the official scheduled race time in local time. Unless otherwise specified within the Greyhounds rules, all bets will stand irrespective of any eventual changes to the race start time.

6) Should a race be declared as being a “No-Race” and a re-run takes place, all bets will stand for the greyhounds that take part in the re-run. Prices offered for a “No-Race” will stand for the re-run race unless there is a non-runner, in which case all bets will be settled as per Tattersalls Rule 4.

b. Win Betting & Each Way Betting

1) A “Win” bet is a single stake on the chosen selection which will only be considered as won if the chosen greyhound wins the race.

2) An “Each Way” bet (aka EW) refers to a bet where the chosen selection must either Win or else place within the payout terms. The bet is divided in two parts (the “Win” part and the “Place” part) of an equal stake. Thus a £1 EW bet will cost a total of £2.

3) All “Each Way” bets are governed by the Starting Price (aka S.P.) place terms. Thus place terms (1/4, 1/5 and number of places paid) will be determined by the number of greyhounds effectively starting the race and not by the number of declared runners when the bet was placed.

4) The following are the terms for “Each Way” betting:

   2-4 runners = Win only
   5-6 runners = 1/4 the odds 1, 2
5) All bets on non-finishers will be considered as losing bets.

6) Should the number of greyhounds finishing the race be inferior to the amount of place terms as listed previously, only those runners officially placed will be treated as winning selections.

7) All Each-Way Doubles, Trebles, etc., are settled win to win, place to place.

8) Each-Way bets are also accepted on Unnamed Favourites.

9) “Betting Without” refers to the possibility of betting on whether a particular greyhound will be able to achieve the highest finishing position should the listed greyhound be excluded from the computation of the official results.

10) ‘Each Way’ terms for “Betting Without” markets will be based on the number of runners who actually take part in the race after the listed greyhounds are excluded from the total amount or runners.

11) Tattersalls Rule 4 deductions apply in case of non-runners within “Betting Without” markets.

12) Should a greyhound become a non-runner after the live show has come through from the track, bets placed on that selection will be declared void. Bets on the remaining runners will be subject to a Rule 4 deduction.

c. Prices - Board and Starting

1) It is possible to select from two (2) pricing options: the price at the time of placement or else the Starting Price (SP). The SP refers to the odds for the chosen selection at the start of the race. Should betting be available during the race, the SP will be calculated based on the last available odds for the selection. It is to be noted that SP is not available for Ante Post betting (AP).

2) The alternatives to SP, Board Prices (BP) or Industry Prices (IP) are normally shown around 5 minutes prior to the race. Bets taken at BP or IP SP will result in the settlement being based on the price taken at the time of bet placement, as well as subject to the other rules stated in this section.

3) Bets are accepted in races of two (2) or more runners for named selections at the current "Board/Show Prices" as transmitted to our service by the official information service (PA),

4) Should an erroneous price be transmitted, all bets taken on outcomes with wrong odds will be settled as void and stakes will be refunded.

5) Any reference to timeframes, price availability, etc. is to be deemed as indicative and not binding. Unibet reserves the right to alter such timeframes, issue prices, as well as suspend availability of any race or betting option at its sole discretion.

d. Unnamed Favourite Betting
1) Bets are accepted on the “Unnamed Favourite” only. The “Unnamed Favourite” (fav) refers to selections which are determined based on the following:

a. The greyhound which is given in the SP at the lowest odds is to be considered as the “Unnamed Favourite”.

b. Should the SP return two greyhounds as the ones with the shortest odds the greyhound with the lowest trap number will be deemed as the “Unnamed Favourite”.

2) Unless specified, should a track hold more than 1 meeting on the same day, the bet will refer for the next meeting to be ran after the bet is accepted.

e. Tattersalls Rule 4

1) Tattersalls Rule 4 is applicable in cases where a greyhound is either withdrawn, or is officially deemed by the starter not to have taken part in the race.

2) Tattersalls Rule 4 deducts a set value from winning bets in order to compensate for the withdrawal of a horse in the specific race. The size of the deduction is determined by the odds (Early or Board/Show) that the horse has at the time of its withdrawal.

3) Deductions on the odds of the remaining greyhounds are based on the following:

5) Races which involve more than one withdrawal be subject to a maximum deduction of 90p per £1.

f. Ante Post betting

1) For a bet to be considered as an Ante Post bet (AP) it is to be placed prior to the Final Declarations being known for the race.

2) AP stakes on greyhounds which are not participating in the race will not be refunded and Tattersalls Rule 4 does not apply, unless specifically stated.

3) Should at least one of the following occurrences happen all AP bets will be declared void:
   a. The race is abandoned;
   b. The race is officially declared void;
   c. The conditions of the race are altered after bets are made (as defined under Tattersalls Rules).

4) Aside from the eventualities stated above, all AP bets will be deemed valid as much as the race to which the bet refers to is ran within 14 full days from when initially scheduled, unless other arrangements have been agreed.

5) AP bets are settled at the price and place terms applicable at the time of acceptance, Should a bet be accepted at wrong odds or Place terms, Unibet reserves the right, at its own discretion, to settle the bet as void and stakes will be refunded.
